Quality criteria for cycle & mountain bike accommodation

Our quality-approved accommodation for cyclists offers the ideal conditions for a relaxing and enjoyable holiday in Tirol. All approved accommodation options must fulfil the following criteria:

- Sport breakfast (fruit, muesli, etc.) – *does not apply to holiday apartments & campsites*
- Storage room for bikes (lockable and insured against theft)
- Bike stands in front of the accommodation
- Designated bikewash area (hose, brushes)
- Bike information area with the following:
  - map showing cycle paths and mountain bike rides in the region
  - three free info sheets with cycle or mountain bike rides (incl. map)
  - list of bike workshops, shops, hire shops + opening hours/addresses
  - list of bike schools/guides + opening hours/addresses
  - timetable/operating hours of public transport/cable cars (with bike transport)
  - specialist magazines (e.g. BIKE Magazin, Bike Sport News, Trekking Bike, etc.)
  - weather information: up-to-date weather forecast for next 3-5 days
- Small repair kit containing a pump compatible with all common valve types, puncture repair kit (incl. tyre levers), lubricant and basic selection of tools (hex keys, open-end spanner, screwdrivers, Torx, etc.)
- Washing and drying facilities for cycle clothing (may be subject to a surcharge)
- Accommodation must be bookable online
- Cycle / mountain bike information must be provided on the accommodation website
  - information about the region recommended rides, downloadable bike map, all-inclusive deals for cyclists & mountain bikers, etc.
